

What will I learn in **Sixth Grade**

at Tri-City Christian Academy?

The teacher's goal this year, and every year, is to equip his/her students for the "big" Junior High. With that in mind, RESPONSIBILITY is very important.

Responsibility is ... doing homework properly, following directions wholeheartedly, developing godly characteristics, and being the proper example to the younger crew.

It is exciting to see God work in the lives of sixth graders. Academically they learn many interesting and life-long lessons.

Bible

- Doctrine of God, creation, and Old Testament Bible study
