Elementary Boys Soccer will be played with four 10 minute quarters. Please make sure that all athletes stay hydrated before and during the game. If there is a tie at the end of the game, there will be a 5 minute overtime period that will be played as Golden Goal (sudden death).

Golden Goal means that the first team to score during the overtime period, wins. If no goal is scored during the overtime period, each team will select five players to shoot against the opposing goalkeeper. The goalkeeper must be the same one that was in the goal during the overtime period. If still tied after a five man shootout, the overtime period will continue one player at a time.

If there is a tie for the team record at the end of the season, the higher seed will be decided by head-to-head competition. If still tied, the decision will go by total points scored against each other and then by total points scored for the season.
