Care Group Lesson

Week of March 7, 2010

Welcome:

When you walk into a new church, what do they need to do, in your opinion, to make you think they are friendly and want you to be there? Do you do that for guests in our church?

Worship:

Read Psalm 13. Take these moments to praise the Lord for His goodness. Share your blessings and concerns from the week and pray for one another.

Word:

Read Acts 2:42a. What important part of edification did the early or primitive church hold onto? Why do you think it is so important for building up people that we have correct doctrine? How can we encourage others to hold onto correct doctrine?

Read Acts 2:42b-43. After salvation and baptism, what is the next step in the Christian life that these verses talk about? Why are discipleship relationships so important in the lives of believers? How would you help someone develop a closer walk with the Lord?

Read Acts 2:46-47. What is the dominant theme of verse 46? Why do you think unity is so important in building others up? How can you promote unity in our church?

Witness:

Don't forget to be inviting to our Community Appreciation Day on March 21. We will have flyers next week to pass out. Don't miss this Sunday! It is going to be a great one!

Chorus of the Month

I Am Not Afraid

I am not afraid,
 I am not alone,
 You hold me in Your hands
 And will not let me go.
 Though the waters rise
 And though the winds may blow,
 I will not be afraid,
 For I am not alone.

Dear Praying Friends:

Greetings from Romania! As always we want to thank you for your prayerful support of the Lord's ministry here in Romania! In the last few months we received approximately \$13,000 towards the building fund in Sotanga. We are so grateful to each church and family that sacrificially gave to meet this need! We have decided that our best solution to resolve the problem of "access" to the property for building a church is to buy an adjoining piece of land which will give us access to the only usable road, year round. Also, it will give us the best connection point for various utilities, such as water, electricity, etc. The land is 1162 sq. meters and will increase the Association's land by 1/3. Assuming property values will eventually inch upward, this should be a good investment. The cost in US dollars will be approximately \$8,000. We are trusting that the Lord will provide any additional funds as they are needed. Before making this decision we sought counsel from our mission board, our home pastor, and long serving missionaries here in Romania.

It looks like we may have to start construction in the summer because the regulations and necessary permits are set to higher limits because it will be a public building and not a house. Please pray that all will go smoothly!

The Lord has opened two new ministry opportunities. One is in the village of Produlesti (Pro-do-lesht) where we have had a couple of informal meetings in a family's house. The people seem to be hungry for the Word of God. We also have had an outreach in Ulmi (Ulm) which is a suburb of Targoviste. A young woman, Florina, prayed to receive Christ last Friday night (February 26)! Please pray for wisdom and power as we preach the Gospel to the Romanian people and as we disciple those that receive Christ! Please also pray for Floarea Cazacu who is the mother of a church member from Sotanga. Floarea is 76 years old and dying. She is at home and barely eating or drinking but she has been lingering. She also has some strong pains. Please pray for God to relieve her suffering. She says that she trusted Christ under our ministry there in Sotanga.

Concerning the military ministry the door has closed as the Obama administration has decided to go ahead and put a defensive rocket system in Romania in lieu of building American bases. Thank you again for your prayerful support!

Serving Christ in Romania,
Robin & Sally Burnett
