Dear Friends,

Since this is the month that we celebrate Thanksgiving, we want to share with you a few of the blessings for which we are thankful. We are thankful that we had a good two months in the states visiting churches, friends, and family. It was a blessing to see many of you and to share what the Lord is doing here. The Lord protected us on the road and on our flights back to Puerto Rico.

We are thankful to be back home and involved in the ministry here as there is much to be done. The church members stayed faithful while we were gone and carried on the ministry. It is a blessing to see more of them take responsibility especially with the children's Bible Club which continues with a good attendance. Since we have been back, one of the members has started a church choir which has sung several times already.

This month we had our annual missions conference with Pastor Milton Gervacio from the Dominican Republic preaching. We also had an international meal on Saturday evening which everyone enjoyed. The biggest blessing was that the church increased the amount for which they are going to trust the

Lord for missions during this coming year despite the economic situation in the island.

Please pray for our visitation program and that the Lord will direct us to people to whom He wants us to share His Word. Pray that more souls will be saved and added to the church. Pray specially for Anibal Toro, Junior and Cali Diaz, and Carmen Rosario for salvation. In December we have planned several Christmas programs and activities, and we pray that visitors will come and hear the Gospel.

We will be traveling to the eastern states for a month in early 2008 to visit more of our supporting churches. Please pray for this trip and for a car that we will need.

Thank you for your continual prayers and financial support which make this ministry possible. We pray that you have much to give thanks for now and through out the year. May you have a Merry Christmas and a Happy New Year.

In His service,

Angel & Margaret Espada
