

# THE ESPADAS

January 2008

Dear Friends,

Greetings in this new year of 2008. May we all be faithful in doing the Lord's will and pleasing Him this year.

The last month of 2007 the church had several special services. One Sunday the church choir gave a cantata and another Sunday a group put on a Christmas drama. Both services were well attended with some first time visitors.

We had a special activity for the children that attend our Bible Club which they really enjoyed. We took them to a place on top of a mountain for the afternoon. The church members bought gifts so that each child received one. Please pray for us as we continue to work with the children that are coming that we can be blessing to them and that each one of them will receive the Lord.

This week while visiting in a home we were able to lead a young man, Jose, to the Lord. He attended the Wednesday night service and wants to keep coming while he is here. He is planning to soon return to Texas where he lives. Please pray that Jose will continue to grow spiritually.

We are looking forward to what the Lord has for us in this new year. The attendance in the services has been down the last several months. Please pray for special services during Easter week and evangelistic services that we are planning for April. Our desire is to see more people come to know the Lord this year and that we then can help them grow spiritually.

We are looking forward to seeing some you soon since we will be traveling to the states on the 24<sup>th</sup> for a month to be part of a missions conference and to visit more of our supporting churches in the eastern states. We will be returning on February 21. Please pray for safety as we travel and that we can be a blessing to the churches.

Thank you for your continued financial support and prayers for the ministry here. We pray that the Lord richly blesses you in this new year.

In His service,

Angel & Margaret Espada
