Dear Supportive Christian,

Thank you for being partners with us in the noble work of our Master. I deeply appreciate your support in prayers, finances, and thoughtfulness. *"For it is the God who commanded light to shine out of darkness, who has shone in our hearts to give the light of the knowledge of the glory of God in the face of Jesus Christ".* (2 Cor. 4:6)

Kenya

Our country is at a cross road of deciding either to deal with the politicians and other persons who incited the political violence early this year or leave the matter to ICC (international criminal court) at the Hague. This has become a hot debate between the citizens and the political class. Please pray for wisdom for our leaders as this can disrupt the peace in our country.

Ministry and Outreach

God is good! I am particularly thankful for my young brother who got saved about a month ago. I had shared the gospel with him and had been praying for him to be saved for years. Yuri, a friend of mine, who I went to school with in Arizona shared the gospel with him when he visited with us a couple months ago. Soon after Yuri left for the USA, Pastor Mike Mestler who had been burdened about my brother came and shared the gospel with him. God had prepared Javan's heart and he received Christ as his personal Saviour. Javan stays with me and I have been highly encouraged by his growth. After he got saved I did devotions with him a few times. When I asked him what he wanted us to pray for, he mentioned his friends by name whom he wanted to see saved. What a change that God brings into our lives upon salvation. Javan now attends church faithfully and he got baptized two Sundays ago. Pastor Mestler has been discipling him.

Two Sundays ago, I was scheduled to preach in one of our Baptist churches that has been without a pastor for sometime. After the Bible study, a middle aged man, Richard, said he had come to church and he wanted to give his life to Christ. Right there, one of the men led him to Christ. I had not even preached. How humbling it is to know that it is not about us but God who draws men to Himself. I am thankful that He has allowed me to witness all this.

Bible Institute

I appreciate working with the Mestlers and the Lord has blessed the Bible Institute. We have been organizing to have a program to further train our national pastors here. We thank God that our program is in place and on Monday we had a meeting with the potential students. I, a national pastor, and two other missionaries will be going for our "from the city institute". We have been having about 60 in attendance. Please pray that God would guide and bless.

Your brother in Christ,
