Dear Friends,

For this God is our God forever and ever: He will be our Guide even unto death (Psalms 48:14) God continues to show that He is a mighty God unto them that put their trust in Him.

We are thankful to the Lord that our youth group has been growing, we currently have about 10-12 persons in attendance plus regular visitors. It is a great blessing to see the young people witnessing their faith to their friends and inviting them to attend Sunday school and morning services. Moreover, our Youth Group had the opportunity to attend two Youth Rallies which provided additional encouragement and allowed them to meet and interact with other young persons who shared a similar excitement and love for the Lord and his work. We continue to praise the Lord for what He is doing and what He is going to do!

We have had regular visitors at our Sunday services some of whom are the parents of the members of our Youth Group. This is quite a blessing, since it remains our desire to not only reach out to young persons but to the entire household for the word of God says "As for me and my house we will serve the Lord"

In the month of March it was a pleasure to have our visiting brother, Mani from India, sharing what God has and is doing in India and his vision for the future.

The Month of April brought much sorrow to my heart. It began with the passing of my aunt Rosalie who battled with cancer. I was able to fly to NY for the funeral and to comfort and to be comforted by my family. A few days later, upon my return to Puerto Rico I was informed of the passing (by drowning) of two members of a church, where I was the interim pastor during my stay in St. Lucia. These and many other things did my adversary try to use to depress and discourage me but my God ever sustained me and is carrying me through.

Our Evangelistic meeting with Brother Lin Croxton was a great blessing. Five souls came to know Jesus Christ as their personal savior! Many were blessed and challenged by God's Word and his saving grace. I pray that people will remain faithful to our LORD and encourage others to have a personal relationship with Him. I was greatly encouraged to hear that my sister had made a decision for the Lord! God is still on the throne and answering prayers!

Please continue to remember us in your prayers for the following:

1. Youth group - Fund Raising for Camp
2. God's continual provision and protection each day.
3. Comfort and strength for the families who had lost loved ones.

Only by his grace,

Roger Alex Papius
