

Dear Praying and Supporting Friends,

Greetings in our Lord's name. By the wonderful grace of God and because of all of your loving prayers and sacrificial support, we are doing well and the ministry in India is doing well also. Thank you very much for your faithfulness in holding our hands up in our endeavor to win the nation of India for the Lord.

I just returned to India safely after visiting several of our supporting Churches and some new Churches as well. I thank God for the opportunity to see many of our friends and the wonderful privilege of making some great new friends on this trip. Thank you very much for your wonderful response. Several of you have expressed your desire to help us on a regular basis. That would indeed be a great help to us in reaching India for our Saviour. God in His grace has granted me safety in my travels and blessed me with very good health. I was not sick at all during my three months of travel in the United States. I thank God for His care upon my wife and children back in India as well. It was a great blessing on this trip to have a laptop with me with which I was able to keep in touch with my family on Skype. I thank Pastor.T.J. Klapprich and Calvary Baptist Church, Winter Garden, FL. for their thoughtful help in getting me this new laptop.

I thank all of you for your great love for the Lord and for your interest in missions. Thank you for giving me the privilege to come and report on the progress here as well as present our current needs in India. I deeply appreciate your desire to help us in our endeavor to reach India for the Lord. Your sacrificial giving for the needs in India is amazing. As you know we were praying for \$50,000 for building a new Children's Home. Thank you all for your response. We have already received over half of the needed amount. We will start the building work right away and will try to complete the building by the end of 2011 as the Lord provides the financial need. Please continue to pray for the rest of the needed funds to complete this project. Your sacrificial giving and consistent prayers in this regard really means a lot to our kids in the Children's Home, to Mrs.Cheriyen, who has been such a wonderful blessing in raising many godly young men and women the last 30 plus years for the Lord in that Home, as well as many of our pastors who grew up in the same Children's Home including me.

I want to thank all of you who have labored directly and indirectly in making my trip so comfortable and fruitful. Your faithfulness to the Lord and your love for missions is awesome. May the Lord bless you abundantly and use you greatly to be a blessing for many around the globe. Please continue to pray for us as you always do. We, your friends in India promise to continue praying for you and will surely keep you updated about God's manifold blessings through our prayer letters.

Thanking you,

Yours in Christ for India souls,

Solomon, Sandhya, Johannan and Jessika.
